**Policies**

- Vendors should arrive on or after 1:30 pm to ensure that they are set up and open by 3:00
- The market is held Rain or Shine. Any market closures will be determined by the Market Manager based on the expectation of severe weather, and vendors will be contacted asap.
- Vendors should supply their own garbage receptacles, tents (anchored with weights), tables & chairs, and any needed PPE
- Vendors may pull up in vehicles to unload products, but must then move vehicles ASAP to avoid congestion
- Spaces are allocated based on the discretion of the Market Manager, and may change from week-to-week
- All government Covid related policies must be followed by vendors and shoppers while present at the market location
- Vendors must sell until 6:00 pm unless otherwise arranged with the Market Manager. No breaking down until 6:00.
- Each vendor must ensure that the footprint of their location is left debris-free
- Every effort will be made to have a security presence for the entirety of every market day, but we cannot guarantee this. Vendors are responsible for securing their products and cash receipts.
- ***While we want to ensure that every vendor is in the best position to be successful, we cannot guarantee any exclusivity for any products sold at the market. We will work to keep duplication of products to a minimum.***

**Farmers' Market Rates**
